UNIQUE PROGRAM IN HYANNIS: AN EYE-OPENER FOR PEOPLE WITH SLEEP ISSUES

Free Seminar, Clinic, Expert Q & A, Exhibit

Thursday, MAY 5 Community Event Is Open to All

NORWOOD, MASS. (Issued MAY 2011) -- Here's a pioneering program designed for the 10% of the population that has some form of sleep disordered breathing and may or may not know it.

One of New England's leading medical equipment suppliers is sponsoring a unique '**CPAP ROAD TOUR**' on **Thursday, MAY 5 from 12:00 noon to 6:00 p.m. at the Cape Codder Resort & Spa, 1225 Iyannough Road, HYANNIS, MASS.** This free program is open to all.

CPAP (continuous positive airway pressure) devices use air pressure to keep airways open, helping individuals with sleep disordered breathing to get a better night's sleep.

A community service presented by Reliable Respiratory based in Norwood, Mass., the program will feature Registered Respiratory Therapist Bob Chase who has over 40 years in the field. Chase has worked with thousands of patients of all ages, including such well-known personalities as late actor Christopher Reeve following his horseback riding accident, and U.S. House Speaker Thomas P. 'Tip' O'Neill. As Reliable's Director of Clinical Services, he works with patients to ensure compliance and cost-containment.

Attendees can try out new CPAP masks, check CPAP pressure, see the latest equipment, and learn sleep tips. Road Tour coordinator Connie Chappell says advance reservations aren't necessary unless a person wants to schedule a complimentary mask fitting. Reliable also supplies oxygen and related devices including concentrators, cylinders and Home Fill systems.

Sponsors of the CPAP Road Tour are medical equipment makers ResMed, Philips Respironics, and Fisher & Paykel Healthcare.

Reliable Respiratory coordinates care with physicians specializing in sleep disordered medicine, provides routine maintenance of equipment, and handles insurance billing. The company is an in-network provider for respiratory equipment with most major insurance companies.

To schedule a mask clinic at your health care facility, and for information on upcoming 'CPAP Road Tour' dates and locations, contact Connie Chappell: rrepaproadtour@gmail.com / chaplassoc@verizon.net / 781-844-1640. For more information on CPAP units and masks: 781-551-3335, ext. 264 / www.ReliableRespiratory.com.
