**‘YOU CAN SLEEP BETTER’  
UNIQUE PROGRAM MAY BE AN EYE-OPENER**  
*Free Seminar, Clinic, Expert Talk, Exhibit*  
***February 24 in Hanover from 12 Noon to 7 p.m.***

**HANOVER, MASS. (Issued February 2011)** -- If you or someone you know could use a better night's sleep, an upcoming program might provide answers.

The ‘You Can Sleep Better’ CPAP ROAD TOUR will be held on **Thursday, February 24 at the Hanover Mall** on Rte. 53 in **Hanover (Mass.)** – Exit 13 off Rte. 3. The program will run from **12:00 noon to 7:00 p.m. and is free and open to all.** *(This second program in Hanover has been scheduled due to the inclement weather on the day of the first event last month.)*

Provided as a community service by Reliable Respiratory, a leading respiratory equipment and services company, the program will include a presentation at 3 p.m. by noted Registered Respiratory Therapist Bob Chase who has over 40 years in the airway management field. Chase has worked with thousands of patients, including such well-known personalities as late actor Christopher Reeve following his horseback riding accident, and U.S. House Speaker Thomas P. ‘Tip’ O’Neill. He is Reliable Respiratory’s Director of Respiratory Clinical Services.

CPAP (continuous positive airway pressure) devices use air pressure to keep airways open, helping individuals with sleep disordered breathing to get a better night’s sleep. Attendees can try out new CPAP masks, check their CPAP pressure, see the latest equipment, and learn sleep tips. Free refreshments will be available.

CPAP Road Tour coordinator Connie Chappell says advance reservations aren’t necessary unless a person wants to schedule a complimentary mask fitting with a Respiratory Therapist. All are welcome.

Sponsors of the CPAP Road Tour are three leading medical equipment makers: ResMed, Philips Respironics, and Fisher & Paykel Healthcare.

Reliable Respiratory coordinates care with physicians specializing in sleep disordered medicine, provides routine maintenance of equipment, and handles insurance billing. The company is an in-network provider for respiratory equipment with most major insurance companies.

To schedule a mask clinic at your health care facility, and for information on upcoming ‘CPAP Road Tour’ dates and locations, contact Connie Chappell: [rrecpaproadtour@gmail.com](mailto:rrecpaproadtour@gmail.com) / [chaplassoc@verizon.net](mailto:chaplassoc@verizon.net) / 781-844-1640.
