RELIABLE RESPIRATORY IS AWARDED MASSHEALTH CONTRACT FOR RESPIRATORY EQUIPMENT

BOSTON, MASS. (Issued July 2008) - Reliable Respiratory, one of New England's premier home respiratory equipment and services companies, has been awarded a contract by MassHealth to provide respiratory equipment to its subscribers.

MassHealth is a public health insurance program for eligible low and medium-income residents of Massachusetts. MassHealth is the name used in Massachusetts for Medicaid and the State Children's Health Insurance Plan (SCHIP), combined in one program.

Reliable Respiratory, serving all of New England, has earned a reputation as a pioneer in supplying state-of-the-art respiratory equipment designed to assist patients to achieve maximum compliance that can result in a better quality of life.

Reliable Respiratory offers a wide range of products to help patients comply with physician orders, including state-of-the-art synchronized CPAP units for patients suffering from sleep-disordered breathing, ultra-light CPAP masks for patient comfort, and nebulizers. A new automated call system surveys patients to check on compliance and equipment needs. The program is reinforced via live follow-up calls.

Reliable Respiratory works with physicians' offices, hospitals and sleep labs throughout New England and is an in-network provider with most major insurance companies.
